recap of HOSPITALITY BCSL Championships @ New London Hills Swim Club 2017....

- Our hospitality space was in our concession stand. This worked perfectly—signs
 on doors that space was only for officials and coaches did a good job of
 keeping the space clear for just that crew.
- Planned all meals for about 35 people.
- We set up for breakfast on Wednesday morning about a half hour before the first warm ups were set to start. Served two breakfast casseroles (good amount—had maybe 1/3 to 1/2 casserole left over), bananas, donut holes and mini muffins. Had juice and water out, and a keurig for coffee (not many people made coffee, so don't bother having too much). All went over very well! Leftover muffins and bananas were eaten throughout the day.
- Set up for lunch by 11:30/11:45—coaches were ready to eat when their morning swimmers were finished as they prepared for the afternoon meet. Served two different main course salads with protein (Summertime Salad with Chicken and Lemon Swiss Salad), a fruit salad, and pretzel rolls & mini croissants with butter. Amount of salad was great, but had only planned on 1 roll per person, and bread was gone quickly. Fruit also went pretty quickly (had one salad bowl full of fruit, probably could've used a bit more). Hadn't thought of dessert, so good that we had muffins and donuts left from breakfast—they all got eaten for dessert, so perhaps plan for dessert next time around.
- Had trail mix available during the day, along with any leftovers, and everything got eaten. So maybe be prepared with a few extra granola bars, a bit of extra trail mix, etc. throughout the day.
- Do not forget to buy A LOT of extra cups for water for timers/coaches/officials.
- We had planned to give coaches and officials a voucher for dinner, but meet ended by 4:30, so just closed up shop.
- Set up for dinner before warm ups on Thursday. Seemed that most officials and coaches came in and ate right away and then were finished. Served two different kinds of wraps (Chicken Club Wraps and Spinach Blue Wraps), an assortment of chips, fruit salad, and an assortment of cookies for dessert. Had more than enough wraps (had planned on two halves per person, and had plenty left over), but all else was eaten.
- Had lemonade, cucumber basil water, and plain water available both days, and we were constantly refilling all three.
- Receipts totaled \$271.66. (also brought extra cups from home when we ran out, paid for keurig coffee cups since we didn't use very many.)
- Had tables nicely set with tablecloths from home and lanterns as centerpieces. Used chalkboard to welcome coaches and list menu.

Championship Points

1. Notice to members:

• We need to begin posting on Facebook as well as on signs throughout the club that the facilities will be closed to members beginning Tuesday July 25th at 4:00 – Friday July 27th at noon.

2. Staffing assistance:

- We are hoping to get those staff individuals with parking experience to assist us with parking. The plan is to park in the lower back lot first, then Hartfords, then Heathwood.
 We will require twelve staff members minimum for each shift (morning prelims, afternoon prelims, finals) to assist with this.
- The swim committee is providing police presence on Thursday evening. Terry Kiep will be here for the duration.
- Lifeguards: We will be closing the main pool, however, would like to have a lifeguard on duty at that pool to keep everyone out. We will obviously need a guard in the lap pool at all times. We'd also like two more to assist with first aid as well as keeping restrooms stocked and clean and assisting with garbage collection. (Note: restrooms will be closed to all except officials, coaches, handicapped, staff, and volunteers.)

Facilities:

- See map of planned layout.
- We will need to have Rumpke make an extra stop on Thursday morning (7/26) prior to finals.
- Five Port-o-lets are coming Monday July 24th and will remain until Friday July 27th. They
 are to remain locked/tied off on all days but Wednesday and Thursday. They will be
 serviced Wednesday night or Thursday morning.
- All picnic tables in the lower picnic area need to be moved to the upper area near concessions.
- The baby pool will need to be drained, the main pool closed
- We will caution tape off the playground and swings, place a tarp over the volleyball court, and zip tie the basketball nets so they are not used. This will take place Tuesday evening.
- We will be utilizing the grills for concessions. Someone from the concession committee will also touch base with Sandy for needs/assistance.

AWARDS/Ribbons

The committee is in charge of verifying with the BCSL Vice President the number and delivery of awards and ribbons. Awards are given out to the top three teams. Age group awards were given for first place only. The VP will also order Heat Winner Ribbons if necessary.

For PM Prelims, two people need to be assigned to hand out Heat Winner ribbons. (We used \$1 Flub Bucks as they were donated by Brian and Jodi Connaughton - obtained by Krista Parish) Simply watch the races and hand the prize to the heat winner.

For finals evening, you need to secure your area and be relatively close to the scorers table. Bring enough Kroger bags to label for each team. The scorers table will hand you stickers to place on each award - 1st -3rd got medals, 4th - 12th got ribbons. We utilized 6 people for this task, however, four would work easily.

ANNOUNCERS

We used three announcers who rotated out throughout the entire meet. You can not do this job with less than three. For both prelims and finals, they needed to announce first/second/third calls, make advertising and other announcements, and announce results when made known from scores' table. When announcing results, it's helpful to give the first place name, team, and time. Then they need to post the results on the result board.

They also announced the awards at the end of the evening.

PARENT/COACH/OFFICIAL Relay

Mike Brossart was in charge of this, however, it is recommended that a parent orchestrate.

PHOTOGRAPHY

We offered photography services for the day of Prelims. The cost was \$20 per swimmer. This ensured that a photographer would follow that swimmer during his/her races to capture photos. It was meant to be a business venture for photographer and fund raiser for NLH. We limited photography on the pool deck to Jennifer and her photographers.

- We used Jennifer Nye. Her business is JennyLynn Photography. She hired additional photographers to assist her that day. We charged \$20 and she kept \$15.
- We had a table with volunteers to receive payment. We supplied heat sheets to indicate which swimmers to photograph. We needed several volunteers because we also had a volunteer or two on the pool deck with photographers.
- The pictures were loaded onto Jennifer's Zenfolio account where everyone has access and could purchase.
- The photos were wonderful! Quality and amount of photos were amazing. It was not, however, profitable.
- I would recommend re-thinking payment etc. OR consider it a service to swimmers vs a fund raiser.

Subject: championship mtg - clerk of course

Date: Thu, Aug 10, 2017 2:26 pm

Hey!

Connor starts soccer tonight and it's also our bingo night at QP so I'm not going to be able to make it to the meeting. I apologize for the inconvenience. Here's my 2 cents on running an effective clerk of course.

The Clerk of Course is used at the afternoon preliminary event for boys and girls in the 6 & Under and 8 & Under age groups. The 10 & Under age groups do not use the Clerk of Course, but do come through the entrance (more info to follow).

- Need minimum of 12 people to effectively run the CoC. Have workers accepting kids at the entrance via event/heat, sitting/arranging swimmers in the appropriate chairs, taking kids behind the blocks, and working behind the blocks.
- Arrange chairs (to keep the children in their seat so they don't bother those next to them) by lane. As the first heat is taken into the pool area, have the swimmers move up to the next chair.
- Check names of each lane of swimmers, have them hold hands and escort them to the back of the blocks.
- Have benches behind each block, labeled with the appropriate lane number. (I really think this was key to keep it so organized and orderly on the pool deck).

- Have people working behind the blocks to keep swimmers in order, on bench and as they move to behind the block. You'll need at least 2 people for this task.
- For the 9/10 Let them hang out in the shade/sit in the chairs and then call out 4 or so heats at a time and have them go straight behind the block.

Hope that helps! If you need anything else, please let me know.

Thanks, Jodi

AM Prelims

This summer the Butler County Swim League lost the man who started this great league, Francis Parrish.

Francis began this league in the 1960's and was the president of the league for nearly 40 years. He was also a coach and a manager at the Elks Swim Club.

Francis' belief during that time was: "This league is for beginners." He created this league to get young people involved in the sports of swimming and diving and condition them to go on to higher competition levels. He wanted swimmers and divers of all levels to have a fun place to compete.

Throughout the years he was a swim official and a diving judge. We saw Francis on the pool deck at so many swim and dive meets in this league as well as other leagues such as the YMCA. He was so very dedicated to these sports.

What Francis gave to this league has impacted thousands of swimmers and divers throughout Butler County. He will be dearly missed by everyone involved in the Butler County Swim League.

The BCSL and all members of this league would like to give our condolences to the Parrish Family. Our thoughts and prayers are with your family.

We thank Mr. Parrish for all he has done for us.

In lieu of flowers, the BCSL was chosen by the Parrish family as a donation recipient.

The Francis Parrish **Butler County Swim League**Needs Your Help

Here is some information about our great swim league and how You can help....

The League consists of 7 Swim/Dive Teams and is run by the BCSL Board:

- 4 Board Members: President, Vice-President, Treasurer, & Secretary
- 7 Head Swim Coaches
- 3 Head Dive Coaches
- 7 League Representatives (parent from each team)

WE ARE IN NEED OF MORE PARENTS FROM EVERY TEAM TO BE INVOLVED IN THE BCSL BOARD. WE HAVE 1
REPRESENTATIVE FROM EACH CLUB, BUT NOT MANY CLUBS ARE ON OUR BOARD. RIGHT NOW OUR BOARD CONSISTS
OF 2 PARENTS (both from New London Hills) AND 2 COACHES. IT IS THE GOAL OF THE BOARD TO HAVE NEW
MEMBERS PARTICIPATE EVERY COUPLE OF YEARS.

What does the board do for our league? Here are a few things:

- Make sure we have a timing system and officials for swim championships
- Make sure we have judges for dive championships
- Order awards for swim and dive championships
- Keep communication going between the 7 teams
- Keep current with the league rules and schedule
- Run meetings/create agenda for the upcoming season

If you join the board, there are usually 4 meetings to attend from April to August. You will be able to work with great coaches from our teams. And you will learn a lot about our rules and what our league is all about. And Francis Parrish created this league for beginners....so no experience it needed. You will be surrounded by people who will help you learn.

There are openings on the board now.

Entry Guidelines:

Swimmer Eligibility: Swimmers must be registered on a BCSL team and have competed in two BCSL swimming dual meets during the 2017 season in order to be eligible to compete at championships.

Entries:

- 1. A team may enter as many swimmers as they want into the meet. There are no cutoff times. A team may also enter as many swimmers as they want in each individual event. For relay events, however, a team may only enter one relay for each contested relay event.
- 2. A Swimmer may be entered in a maximum of four events, including relays. Relay names should be submitted with team's entries to ensure a swimmer is not entered into more than 4 events.
- 3. Entries for Championships must be on Hy-Tek Team Manager Software. They should be emailed to Sandy Payne at sipayne1@fuse.net. Entries must be submitted to Sandy by Sunday, July 23rd at 5PM. If a team sends their entries in after this cutoff they will be fined \$100 by the league. Once Sandy receives your entries she will send an email confirmation including a report of the team's entries. Coaches should review this report carefully to ensure the entries are accurate. Changes may be made to this report up to noon on Monday, July 24th. Early in the afternoon on the 24th the psych sheet will be emailed to all head coaches and also posted on the league website. At that time changes will no longer be permitted.
- 4. Entry times must be submitted to the nearest hundredth of a second. Entry times must also have been achieved during the current swim season. Verification of times must be presented upon request. An entry with a "NT" should be avoided if at all possible.
- 5. Entry Fees: \$1.50 for each individual event and \$5.00 for each relay. Each team will also be charged an additional \$1.00 per swimmer entered in the meet. Sandy Payne will email each team how much they owe with their entry report. Teams are expected to bring their payment in form of a check payable to BCSL to Wednesday prelims

Individual Awards: Medals awarded for 1st, 2nd, and 3rd place. Ribbons awarded for 4th through 12th place in each age group event.

Team Scoring:

Individual event points:

Final Heat: 16, 13, 12, 11, 10, 9. Consolation Heat: 7, 5, 4, 3, 2, 1. Relay events scoring will be doubled the individual event points.

Team Awards:

Teams finishing 1st, 2nd, and 3rd will receive a team plaque. High point age group winners and runner-up winners will be awarded an age group certificate for the club.

Facilities Information

Parking:

- The majority of parking will be in the back lot. Because of this, all spectators may not be entering (walking) through our main admissions gate. We will be collecting admission fees from the cars before they drive back to the parking lot. So that cars do not back up New London Road, please advise families to have admission money ready when parking. The cars will be stopped by the basketball court to pay admission fees and receive bracelets.
- The area in front of NLH will also be available for parking. Spectators should then enter through the main admissions gate to pay and receive bracelet.
- ❖ Coaches and officials will be provided parking passes that should be displayed in their car. Parking for coaches and officials will be in front of the pool area, but closer to the pool. Please send a list of coaches and certified officials to Katie Crank at jklcrank@aol.com no later than Wednesday, July 19th.
- The main lot will be used for Handicap parking and swimmer drop off.
- Parking attendants will be provided to direct traffic.
- Overflow parking will be in the front lot and along Heathwood Lane.

Parent/Coach Relay: \$5 per individual. More information to follow.

recap of HOSPITALITY BCWL Championships @ New London Hills Swim Club 2017...

- Our hospitality space was in our concession stand. This worked perfectly—signs on doors that space was only for officials and coaches did a good job of keeping the space clear for just that crew.
- Planned all meals for about 35 people.
- We set up for breakfast on Wednesday morning about a half hour before the first warm ups were set to start. Served two breakfast casseroles (good amount—had maybe 1/3 to 1/2 casserole left over), bananas, donut holes and mini muffins. Had juice and water out, and a keurig for coffee (not many people made coffee, so don't bother having too much). All went over very well! Leftover muffins and bananas were eaten throughout the day.
- Set up for lunch by 11:30/11:45—coaches were ready to eat when their morning swimmers were finished as they prepared for the afternoon meet. Served two different main course salads with protein (Summertime Salad with Chicken and Lemon Swiss Salad), a fruit salad, and pretzel rolls & mini croissants with butter. Amount of salad was great, but had only planned on 1 roll per person, and bread was gone quickly. Fruit also went pretty quickly (had one salad bowl full of fruit, probably could've used a bit more). Hadn't thought of dessert, so good that we had muffins and donuts left from breakfast—they all got eaten for dessert, so perhaps plan for dessert next time around.
- Had trail mix available during the day, along with any leftovers, and everything got eaten. So maybe be prepared with a few extra granola bars, a bit of extra trail mix, etc. throughout the day.
- Do not forget to buy A LOT of extra cups for water for timers/coaches/officials.
- We had planned to give coaches and officials a voucher for dinner, but meet ended by 4:30, so just closed up shop.
- Set up for dinner before warm ups on Thursday. Seemed that most officials and coaches came in and ate right away and then were finished. Served two different kinds of wraps (Chicken Club Wraps and Spinach Blue Wraps), an assortment of chips, fruit salad, and an assortment of cookies for dessert. Had more than enough wraps (had planned on two halves per person, and had plenty left over), but all else was eaten.
- Had lemonade, cucumber basil water, and plain water available both days, and we were constantly refilling all three.
- Receipts totaled \$271.66. (also brought extra cups from home when we ran out, paid for keurig coffee cups since we didn't use very many.)
- Had tables nicely set with tablecloths from home and lanterns as centerpieces.
 Used chalkboard to welcome coaches and list menu.
