## Entry Guidelines

### Swimmer Eligibility

Swimmers must have competed in 2 BCSL swimming dual meets during the 2019 season in order to be eligible to compete at championships.

### Entries

1. A team may enter as many swimmers as they want into the meet. There are no cutoff times. A team may also enter as many swimmers as they want in each individual event. For relay events, however, a team may only enter one relay for each contested relay event.
2. A swimmer may be entered in a maximum of 4 events, including relays. Relay names should be submitted with a team's entries to ensure a swimmer is not entered for more than 4 events.
3. Entries for Championships must be on Hy-Tek Team Manager Software. They should be emailed to Sandy Payne at [sipayne1@fuse.net](mailto:sipayne1@fuse.net). Entries must be submitted to Sandy by Sunday July 20<sup>th</sup> at 5pm. If a team sends their entries in after this cutoff they will be fined \$100 by the league. Once Sandy receives your entries she will send an email confirmation including a report of the teams entries. Coaches should review this report carefully to ensure the entries are accurate. Changes may be made to this report until noon on Monday July 21<sup>st</sup>. Early in the afternoon on the 21<sup>st</sup> the psych sheet will be emailed to all head coaches and also posted on the league website. AT that time changes will no longer be permitted.
4. Entry times must be submitted to the nearest 100<sup>th</sup> of a second. Entry times must also have been achieved during the current swim season. Verification of times must be presented upon request. An entry with a "NT" should be avoided if at all possible.

5. Entry Fees: \$1.75 for each individual event and \$6.00 for each relay. Each team will also be charged an additional fee for each swimmer you enter into the meet. Sandy Payne will email each team how much they owe with their entry report. Teams will be expected to bring their payment to Wednesday prelims. Please make checks payable to BCSL.

### **Warm-ups**

Each team will be assigned a warm-up period during each warm-up session.
